Applicant's Response

Applicant's response filed on 2/13/2007 electing species of figures 1;3 and 7 is acknowledged. However, claims 1-15 are drawn to a non-elected invention and therefor the election by applicant is considered to be non-responsive.

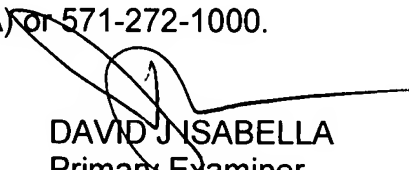

Applicant has elected patentably distinct species from each of Group A, Group B and Group C. However, in listing the claims that are readable on the elected species, examiner notes that no independent claim is readable on the species as elected by applicant. Therefor no action to the claims can be effected. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to provide claims that are readable on the elected species. in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DAVID J. ISABELLA whose telephone number is 571-272-4749. The examiner can normally be reached on MONDAY-FRIDAY.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, CORRINE MCDERMOTT can be reached on 571-272-4754. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
